

Why Cyber Insurers Partner With Kroll

How do these partnerships help you?

Kroll is uniquely positioned to be your end-to-end cyber risk advisor, handling the entire security incident lifecycle and supporting your underwriting and claims processes with:

- Unmatched knowledge and insight into the sources and impact of cyber threats
- Proactive monitoring tools and services tailored to your insureds
- Technology-agnostic approach
- Collaborative approach with your claims team that ensures confidence and efficiency in a crisis

Ultimately, we can strengthen your book of business by improving your insureds' cyber security posture and become your trusted partner for incident response.

Kroll is capable of being a one-stop shop for multiple services relating to breach response, from forensics investigations to support for clients in litigation issues.
