Polling

Please Welcome:

WINS

BREAKFAST

ROUNDTABLE DISCUSSION QUESTION ONE

What are your primary concerns about using Generative AI? Are these concerns related to the use of Gen Ai in frontline activities only or more generally across the wider business?

ROUNDTABLE DISCUSSION QUESTION TWO

How do you see underwriting, broking and claims activities being enhanced by the use of Gen Ai? Accuracy, increased productivity, improved profitability, new product development, improved client service

CONCLUSION

Roger Oldham

CEO & Founder
LMF
