TECHNOLOGY & INNOVATION VIRTUAL CONFERENCE

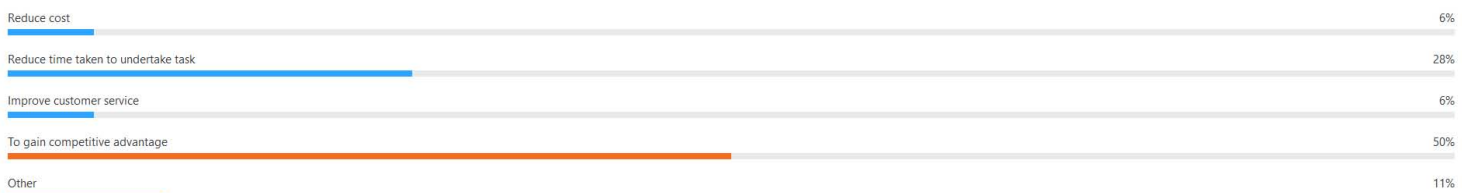

LIVE INTERVIEWS * KEYNOTE SPEAKERS * POLLING * LIVE CHAT

DAY 1 - POLL THE DIGITAL FACE OF UNDERWRITING & CLAIMS

1 In what area would you say your company invests the most in new digital services/tools?

2 What is the underlying driver for the adoption of these new technologies and digital tools?

3 As an industry, would you say that we are really embracing technologies that improve service/reduce cost?

4 Is your firm already using satellite imagery or drone videography for either risk assessment or claims management?

5 With all the new data streams emerging, from the IoT and other sources, do you feel your firm has/is investing enough to interpret/store and manipulate this data?
