

# GDPR and EC3

Special Business Breakfast for London Market professionals

**1st of November, 2017 from 8.30am-10.30am**

The Ivy City Garden, Dashwood House, 69 Old Broad St, London EC2M 1QS

**THE CLOCK IS TICKING WHEN IT COMES TO THE NEW GENERAL DATA PROTECTION REGULATION (GDPR), EFFECTIVE IN LAW FROM MAY 2018. LMFORUMS, YOUR MARKET CLUB, IN PROUD ASSOCIATION WITH CORE TECHNOLOGY SYSTEMS AND K2 IS DELIGHTED TO WELCOME YOU TO THIS SPECIAL BUSINESS BREAKFAST AT THE EXCLUSIVE PRIVATE DINING ROOM AT THE SWISH NEW CITY IVY BRASSERIE. AS IS ALWAYS THE CASE WITH LMFORUMS GATHERINGS, THIS SESSION IS ONLY OPEN TO INSURANCE PROFESSIONALS AND IS COMPLETELY FREE OF CHARGE.**

During this interactive roundtable session, led and introduced by the Chairman of the IUA and Managing Director of SCOR, Malcolm Newman, we'll not only hear from experts but there'll also be the opportunity to have a grown up discussion with your Market peers about this important subject and what it means for our businesses, our clients and our staff.

**DURING THE SESSION WE WILL HELP SET THE SCENE BY COVERING THE 6 MAIN PRINCIPLES OF GDPR:**

- Fair, lawful and transparent processing
- Correct purpose
- Data minimisation
- Accurate and up to date
- Retention
- Security

Knowing exactly the data an organisation held, who was accessing it and where it was being accessed, has historically been the purview of only the largest companies. SME firms who did not have the luxury of experienced security professionals and dedicated security tools were left to wonder. Thankfully things are changing on this front.

But with the new GDPR holding all companies financially liable for data breaches with fines up to €20 Million, size is no longer a defence. Join us for this special business breakfast and roundtable debate - learn, collaborate and network.
