Join us from 12.30pm on 3rd July at the DoubleTree by Hilton Tower Hill for our annual gathering of insurance professionals where we look at the impact technology is having on the workplace and how it is shaping the customer experience.

The Summit this year will cover the following areas:
- Innovation, InsureTech & Disruption in the Lloyd's Market - Automation, AI and Machine Learning - Future of the workplace & talent - Data, the hidden value and intelligence in our organisations - How

technology is changing the customer experience and how customers are influencing the IT strategy. The event will commence with a networking lunch followed an afternoon of great speakers and Market commentators, followed by our Summer Party on the rooftop of the Hilton.

LONDON MARKET FORUMS
BRINGING INSURANCE PROFESSIONALS TOGETHER

www.lmforums.com

WHAT IS LMFORUMS?

LMForums is the fastest growing independent knowledge hub in the London Insurance Market bringing thousands of practitioners together every year from all contingents of EC3. In addition to our active Exec Practice Groups, LMForums hosts a number of larger Summits and social events.

LMForums is run on a not for profit basis for the benefit of the Market, to encourage learning, networking and collaboration at both personal and company level. Membership is free, so join us today at www.lmforums.com
